

WHITNEY R. HARRIS WORLD LAW INSTITUTE Presents

# Prospects for an International Climate Change Agreement

## *Is it now or never?*

Thursday, October 8, 2015  
4:30-6:30 PM | Seigle Hall, Room 109

In **December 2015**, the world will gather in Paris, France under the auspices of the UN Framework Convention on Climate Change (UNFCCC) to negotiate a new international agreement sufficient to keep global warming below 2°C.

- Join us to *unpack* the UNFCCC process, *explore* the state of climate negotiations, and *discuss* prospects for an impactful agreement.
- Keynote by *Scott Stone* (Hunton & Williams), followed by a panel discussion.
