LL.M. Degree Start Semester/Year _______ _______

As a part of the 24 hour credit graduation requirement of Washington University Law’s Tax LL.M. program, students are required to take and pass three core tax classes: (1) Federal Income Taxation, (2) Corporate Taxation, and (3) Federal Partnership Taxation.

At the discretion of the Director of the Tax LL.M. Program, one or more of these courses may be waived if the student successfully completed a similar course in a timely fashion at the program where he/she earned his/her J.D. Such waiver is completely at the discretion of the Registrar and will depend on such factors as the similarity of the course previously taken; the grade earned in the course; the difficulty level of the course; and the time elapsed since the course was completed. Such waiver shall not reduce the number of credit hours required to obtain a Tax LL.M.

Interested students must submit this completed “Request to Waive Required Tax LL.M. Courses” form to Sue Halvorson in the Registrar’s Office (fax: 314-935-6959, email: halvorss@wulaw.wustl.edu, Anheuser-Busch Hall, Room 303).
