5 GREAT THINGS ABOUT ST. LOUIS

COST OF LIVING
St. Louis’ cost of living ranks among the lowest of the top 20 metropolitan areas in the country.

SPORTS
The St. Louis Cardinals, one of the oldest franchises in Major League Baseball, play at Busch Stadium and have accumulated 11 World Series titles, with the most recent being in 2011.

FOOD
Some of the country’s best kept culinary secrets originated here in the Gateway City: Toasted Ravioli, St. Louis-style thin crust pizza, Gooey Buttercake, the Slinger, and pork steaks. Washington University was recently voted the #2 college campus food in America by Yahoo’s The Daily Meal blog and #5 healthiest college by Greatist.com.

PARKS
Forest Park, the seventh largest urban park in the United States, is roughly 500 acres larger than New York City’s Central Park. Located in Forest Park are the St. Louis Art Museum, History Museum, Boat House, Science Center, Golf Courses and Dwight Davis Tennis Center, most of which is free to the public.

MUSIC
Music icons like Chuck Berry, Miles Davis, Ike & Tina Turner, Albert King, and Little Milton would hone their craft in St. Louis, creating new versions of the traditional genres of blues, jazz and R&B. Live music venues are just blocks from campus at Blueberry Hill and The Pageant.
