For convenience please find enclosed an additional copy of my original application, which includes my résumé, law school transcript (both a copy of the official version and an unofficial version that includes the names of my professors), and my writing sample **along with my updated (insert what is new).** The writing sample is a case comment on *Harper v. Poway Unified School District*, a recent Ninth Circuit decision; it appeared in the April 2007 issue of the *Harvard Law Review*.
